

§ 2522.230

§ 2522.220 What are the required terms of service for AmeriCorps participants, and may they serve more than one term?

(a) *Term of Service.* A term of service may be defined as:

* * * * *

(d) *Participant evaluation.* For the purposes of determining a participant's eligibility for an educational award as described in § 2522.240(a) and eligibility to serve a second or additional term of service as described in paragraph (c) of this section, each AmeriCorps grantee is responsible for conducting a mid-term and end-of-term evaluation. A mid-term evaluation is not required for a participant who is released early from a term of service or in other circumstances as approved by the Corporation. The end-of-term evaluation should consist of:

(1) A determination of whether the participant:

(i) Successfully completed the required term of service described in paragraph (a) of this section, making the participant eligible for an educational award as described in § 2522.240(a);

(ii) Was released from service for compelling personal circumstances, making the participant eligible for a pro-rated educational award as described in § 2522.230(a)(2); or

(iii) Was released from service for cause, making the participant ineligible to receive an educational award for that term of service as described in § 2522.230(b)(3); and

(2) A participant performance and conduct review to determine whether the participant's service was satisfactory, which will assess whether the participant:

(i) Has satisfactorily completed assignments, tasks, or projects, or, for those participants released from service early, whether the participant made a satisfactory effort to complete those assignments, tasks, or projects that the participant could reasonably have addressed in the time the participant served; and

(ii) Has met any other criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

§ 2522.230 Under what circumstances may AmeriCorps participants be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal cir-

cumstances as demonstrated by the participant, or for cause.

(a) *Release for compelling personal circumstances.* (1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(5) through (a)(6) of this section, that the participant is unable to complete the term of service because of compelling personal circumstances.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The participant has the primary responsibility for demonstrating that compelling personal circumstances prevent the participant from completing the term of service.

(4) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(5) Compelling personal circumstances include:

(i) Those that are beyond the participant's control, such as, but not limited to:

(A) A participant's disability or serious illness;

(B) Disability, serious illness, or death of a participant's family member if this makes completing a term unreasonably difficult or impossible; or

(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant's control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that the Corporation, has for public policy reasons, determined as such, including:

(A) Military service obligations;

(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or

(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(6) Compelling personal circumstances do not include leaving a program:

- (i) To enroll in school;
- (ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or
- (iii) Because of dissatisfaction with the program.

(7) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant's term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) *Release for cause.* (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as

part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(c) *Suspended service.* (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) *Reinstatement.* (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

EFFECTIVE DATE NOTE: At 73 FR 53759, Sept. 17, 2008, § 2522.230 was amended by adding new paragraphs (b)(6), (b)(7), and (e), effective Nov. 17, 2008. For the convenience of the user, the added text is set forth as follows:

§ 2522.230 Under what circumstances may AmeriCorps participants be released from completing a term of service, and what are the consequences?

* * * * *

(b) * * *

(6) An individual's eligibility for a second term of service in AmeriCorps will not be affected by release for cause from a prior term

§ 2522.240

of service so long as the individual received a satisfactory end-of-term performance review as described in § 2522.240(d)(2) for the period served in the first term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the two terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

* * * * *

(e) *Release prior to serving 15 percent of a term of service.* If a participant is released for reasons other than misconduct prior to completing 15 percent of a term of service, the term will not be considered one of the two terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *AmeriCorps educational awards.* An individual serving in an approved AmeriCorps position will receive an educational award from the National Service Trust upon successful completion of each of up to two terms of service as defined in § 2522.220.

(b) *Living allowances—(1) Amount.* Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to § 2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to § 2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under § 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) *Maximum living allowance.* With the exception of a professional corps described in § 2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of

45 CFR Ch. XXV (10–1–08 Edition)

1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and

(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application to the Corporation, and may not be included in a State's application for AmeriCorps program funds distributed by formula under § 2521.30(a)(2) of this chapter.

(3) *Living allowances for part-time participants.* Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under § 2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) *Waiver or reduction of living allowance.* The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) *Limitation on Federal share.* The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows:

(i) In no case may the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements has been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—
